Spoke with Jim Viagrass with US Ecology about moving the truck to Thursday morning the 3rd. Should be able to confirm by this afternoon.

Hi Guys:

How are you?

Do we have a truck set up with US Ecology? We may need to make it later in the week if possible. I may be delayed in getting there until Tuesday night. Pete should be able to oversee the initially few days getting settled, Dave loading out the HPGe, etc.

Thanks
